Application

A powerful formula for dissolving tough carbonised and greasy residues on:

- Range and Stove Hoods
- Exhaust Kitchen Vents
- Ovens
- Stove Trivets
- Grills and Grates
- Pots
- Pans
- Trays
- Kettles

Directions

General Use: Spray Pure Earth Complete Grill & Hood Care™ onto affected surfaces. Allow product to dwell on the surface for 5 minutes. Agitate surface with scouring pad and rinse thoroughly with water. Heavy deposits may require more than one application.

Oven Cleaning: Turn oven off and allow to cool before applying product. Apply undiluted product to sides and top of oven first, then to remaining surfaces. Allow cleaner to work for 5 minutes. Wipe with damp cloth or sponge and rinse with water. After cleaning, heat oven to 200°F for 10 minutes before using.
