

TECHNICAL INFORMATION SHEET: Pure Earth Carpet Shampoo

General Description

- A microbe-powered, ready-to-use carpet and fabric shampoo based on Phytology Technology.
- Penetrates soil to loosen and remove all types of lightly encountered soils including food, grease and oil stains.
- Eliminates mild carpet malodours caused by urine, vomit, smoke and more.
- Colorfast with neutral pH which is safe for use on all carpets including 5th generation fibers.

Technology Profile

Nano-Natural Technology is the use of extremely small molecular structures and all-natural ingredients. Nano-Natural Technology involves Active-Nanoids which dissolve and remove soil from any surface without using chemicals. Carpet & Fabric Shampoo™ breaks down soil and stains into microscopic particles that disperse in water and repel one another. The particles are then easy to remove and less likely to re-adhere to the cleaned surfaces. The molecular structures of these particles are so small they can forcefully penetrate molecules of daunting stains and soil for quick and easy removal.

Technical Information

| Dilution | Ready to Use | |
|---------------------|--------------------|-------------|
| Physical Properties | Appearance | Liquid |
| | Color | Light Amber |
| | Fragrance | None |
| | pH | Neutral |
| | Shelf Life | 1 Year |
| Packaging | 3.6L Gallon, Quart | |

Directions

May be used with all types of liquid-extraction carpet-cleaning equipment.

Spray and Extract Method: Apply through a pump or pressure-sprayer type applicator. Let product remain for at least 10 minutes. Extract with clear, hot water. When carpet is completely dry, vacuum thoroughly.

Manual Cleaning: Remove excess matter and blot excess moisture with a clean, absorbent cloth. Spray Carpet & Shampoo directly onto spot or stain and wait for a few seconds for the product to penetrate. Gently agitate with a clean cloth or soft carpet brush. Blot with clean, absorbent cloth frequently turning the cloth. Extraction or vacuum is recommended if available. If the stain is set deeply into the pile, use the Pure Earth Carpet Stain Remover.
