

TECHNICAL INFORMATION SHEET: Pure Earth Multi-Surface Disinfectant & Cleaner

General Description

- Plant-based disinfectant with 18 kill claims in 3 minutes or less
- Deodorises unpleasant odors
- Broad spectrum virucidal (HIV-1), bactericidal (including MRSA), fungicidal and tuberculocidal
- Low toxicity - Category IV with no cautions or warnings

Technology Profile

Phytology Technology is a revolutionary technology that relies on using bioflavonoids and plant extracts that create a synergistic reaction between natural organic acids and natural-organic sugars and, when combined, produce extremely powerful cleaning agents. Phytology Technology has been incorporated into state-of-the-art products that naturally eliminate harmful bacteria, and organic stains.

Application

Can be used in the following areas:

- Aluminum
- Stainless Steel
- Plastic
- PVC
- Ceramic tile
- Porcelain
- Fiberglass
- Glass
- Marble
- Floors

Technical Information

Dilution	Ready to Use	
Physical Properties	Appearance	Liquid
	Color	Clear
	Fragrance	Mild Oregano
	pH	7
	Shelf Life	1 Year
Packaging	3.6L Gallon, Quart
