A powerful formula for dissolving tough food residues and grease on:

- Fine China ware
- Glass and Ceramic ware
- Cutlery
- Serving trays

Directions

It is not intended for manual washing. Detergent dosages will vary depending on type of dishwashing machine used.

Remove excess food waste and pre-rinse dishes before washing. Properly load dishes according to machine directions. Set dispenser according to manufacturer's directions. It may be used with a probe or probe-less dispenser.

Please call our technical team to calibrate your dispenser with our Pure Earth Automatic Dishwashing Detergent.
